

MAKE A DONATION

Did you know?

A charity can claim up to 45% on donations that total more than €250 in a tax year!

You cannot make this claim on your own behalf, but Comfort for Chemo Kerry is eligible to reclaim tax on donations you make to our wonderful cause.

How it works:

What you gave last year	What it could be worth to us after tax
€250	€362.50
€500	€725
€1,000	€1,450

Make your donation grow

All we need is your PPS number and signature on the attached form.

Am I eligible?

All tax payers are now eligible. As long as you are a tax payer in Ireland – PAYE or Self Assessed – Comfort for Chemo Kerry can reclaim tax on your donations.

If your donations to Comfort for Chemo Kerry over the past tax year add up to €250 or more, then you are eligible to reclaim tax on your donations. Just fill out your Enduring Certificate and send it back to us with your PPS number and signature.

What is the Enduring Certificate?

Signing an Enduring Certificate will allow Comfort for Chemo Kerry to claim tax relief on any donations for a period of five years. This does not mean you are obliged to give for the next five years, but if you do choose to support us again, we can make a claim without having to contact you about this every year.*

Other charities you support can also claim tax back separately, as long as the total claimed is less than the amount of tax you paid that year.

Our Promise to You

We promise that any information you choose to share with us will be kept confidential and secure. We will only use your PPS number for the purpose of obtaining tax relief on your generous gifts.

*This will not affect your tax status, however if you stop paying taxes just let us know so we don't apply for tax reclaim on any further kind donations you make. Not sure if you pay taxes? Give revenue a call on 01 738 36 36 (PAYE) or 01 738 3630 to enquire.
